VIDEO

Fade in to Christmas displays in the store.

Shot of a young man and women (30's) looking at various ceiling fans talking to a clerk as if deciding on one

Shot of the woman and girl looking at a showerhead massager and agreeing.

Shot of older couple (60's) looking at cabinets with a clerk

Shot of both couples seeing each other, trying to appear casual but failing, with the younger couple trying to hide the fan.

AUDIO

Remember when playing house was a

child's kitchen set

with endless possibilities?

Fade to a Color shot of a woman cooking in a modern looking kitchen

Warehouse Unlimited can make those childhood dreams come true with products from brand name manufactures...

Shot of cabinets

like Wellborn Cabinets,

Shot of ceiling fans

Hunter ceiling fans

Shot of facets

or Delta facets

Shot of a clerk waiting on a woman with a child.

With a helpful and knowledgeable sales staff...

Shot in the warehouse with two men talking, nodding and pointing.

We take the stress out of 'playing house' and meet all your fixture needs.

Shot of the women in the kitchen again with the child handing her a 'dish' she made.

From one generation to the next, Warehouse Unlimited has something for everyone.
